

Formal Letter of Apology to Teacher

Dear [Mr./Mrs./Miss. Last Name],

I'd want to apologize for my behavior the other day. I understand that my conduct was unprofessional, inconsiderate of you, and in violation of school regulations.

I appreciate your care for moulding me into a responsible member of society while also assisting me in continuing to develop academically. I also thank you for making learning seem simple by making the lesson enjoyable. This conduct has caused me great regret, and I assure you that it will not happen again.

Please accept my apology.

Thank you

Yours sincerely
