Subject:

Dear Sir/Madam,

My name is _____ and I am studying aeronautical engineering at your institution. I am writing to you because _____.

I, (full names), am a student (an employee in case you are already working for an organization) in your institution pursuing a course leading to graduation with a degree in Aeronautical Engineering. I am writing this letter (continue to state your reason for writing the letter).

The following letter will help me to identify myself to potential employers.

I would be grateful if my request is approved.

Thank you.

Yours faithfully,
